SUPPLEMENTARY INFORMATION: Pursuant to the authority set forth in section 407 of the Agricultural Act of 1949, as amended (7 U.S.C. 1427), and Executive Order 11336, notice is being given that it is determined that:

1. The chronic economic distress of the needy members of the Spokane Tribe using the Spokane Indian Reservation of Washington has been materially increased and become acute because of severe drought and high temperatures during the 1994 growing season, thereby severely affecting livestock feed production and causing increased economic distress. This reservation is utilized by members of the Spokane Tribe for grazing purposes.

2. The use of feed grain or products thereof made available by CCC for livestock feed for such needy members of the Spokane Tribe using the Spokane Indian Reservation will not displace or interfere with normal marketing of agricultural commodities.

3. Based on the above determinations, the Spokane Indian Reservation of Washington is declared an acute distress area and the donation of feed grain

owned by the CCC is authorized to livestock owners who are determined by the Bureau of Indian Affairs, United States Department of the Interior, to be needy members of the Spokane Tribe utilizing such lands. These donations by the CCC may commence upon February 2, 1995, and shall be made available through April 30, 1995, or such other date as may be stated in a notice issued by the Acting Executive Vice President, CCC.

Signed at Washington, DC, on March 1, 1995.
